This website, (the "Site") as well as all other official Design digital products (together "Digital Products") are operated by ("we", "us" and/or "our"). Devon and Cornwall Rotary Community Raffle organised by the Rotary Club of Otter Valley and the Rotary e-Club South West Peninsula.

PRIVACY POLICY

This privacy policy (the "Privacy Policy") outlines the basis on which any personal data we collect, or that you provide to us, will be processed by us. We are not responsible for the privacy policies of other websites or applications, and encourage you read all applicable terms, conditions and privacy policies when using other websites and applications.

For the purpose of data protection law, we are the data controller. Questions, comments and requests regarding this Privacy Policy and how we use your personal data are welcomed and should be addressed to Devon and Cornwall Rotary Community Raffle.

Agreeing to our Privacy Policy By using our Digital Products, you agree to us using your data in accordance with this Privacy Policy. There are certain services that we may not be able to provide if you do not choose to provide relevant information.

By using our Digital Products, you agree to us collecting and using personal information about you in accordance with this Privacy Policy. If you do not agree to the terms of this Privacy Policy, please do not use our Digital Products.

You have choices about the data we collect. When asked to provide certain personal information you may decline, but where such is necessary to provide a service or feature, your use of that service or feature may be restricted as a result. We will hold your personal information for as long as reasonably necessary for the relevant purpose.

What information do we collect? We collect data to operate effectively and provide you the best experiences with our products. You provide some of this data directly, such as when you create an account or contact us for support. We get some of it by recording how you interact with our products by, for example, using technologies like cookies - this may collect data about your use of our Digital Products, your device(s) and your location.

We will collect and process the following data about you (the "Information"):

1. Information you give us. You may give us information about you by filling in forms or by corresponding with us by phone, e-mail or otherwise. This includes information you provide when you register, subscribe to any service, enter a raffle, competition, promotion or survey and when you report a problem. The information you give us may include your name, address, e-mail address, date of birth, nationality and phone number, and preferences.

2. Information we collect about you. We may automatically collect the following information:

a. Technical information, including the Internet protocol (IP) address used to connect your computer to the Internet, your login information, screen resolution details, browser type and version, time zone setting, mobile and network information, browser plug-in types and versions, operating system, platform and information about your geographic location;

b. Information about your visit, including the full Uniform Resource Locators (URL) clickstream to, through and from our Digital Products (including date and time); pages you viewed or searched for; page response times, download errors, length of visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), and methods used to browse away from the page and any phone number used to call our customer service number.

Google Analytics Like most websites around the world we use Google Analytics (GA) to process information about the number of visitors on our site and their behavior.

We use this information to record the number of people using <https://dcrcr.org.uk> (or another site), how you use it and how you move throughout the site.

Google Analytics records your approximate location down to town level, the type device you are using (example: mobile) type of device (example: iPhone), operating system (example: iOS) and browser (example: Chrome). None of this data can be used to identify you.

While Google does record your IP address, we don't have access to this information. Google modifies it so that you cannot be specifically identified; it only tells us the area you're in.
Google Analytics Demographics

We are committed to ensuring that our website contains content that is valuable and useful to our users.

To help us with this, we have implemented the Google Analytics demographics and interest reporting features on our website. These tools allow us to review anonymous data regarding the gender, age and interests of website visitors and adapt our website content to better reflect their needs.

Although this information is collected through your Google Ad settings, it is not provided to us in a personally identifiable format. This means we cannot identify what information is about you, and we will not try to figure it out.

To do this, Google Analytics uses a "cookie" on your machine. Read more about Cookies, below and in our Cookies Policy You can opt-out of Google Analytics for Display Advertising and customise Google Display Network ads using the Google Ad settings or through the Google Analytics opt-out browser add-on.

Leaving a Comment on our Site We love hearing from you and we do this by giving you the option of leaving a comment on some of our content.

We only use this information to identify you as the comment maker and do not pass this on to any third party. Your email address will never be shown in the comment section of the site.

Your details will remain in the database unless we remove it or the article is removed from the site.

You may request that we delete the comment and remove your details at any time. Please email us at colledge@icloud.com to make this request. If you are under 16, you must obtain your parents' permission before leaving a comment.

IMPORTANT: In your comment you should avoid leaving information of a personal nature. It is recommended that you do this on any website you choose to comment on.

Children (Under 16 Years of Age) If you are a child who is using our Digital Products or a parent of a child using our Digital Products, there are additional rules. If you are under 16 years of age, please obtain your parents' permission before entering any personal information on our website. We are equally concerned with your privacy as much as an adult.

We encourage parents and guardians to supervise their children's online activities by, for example, adopting parental control tools available from online services and software manufacturers that help provide a child-friendly online environment. These tools can also prevent children from disclosing online their name, address, and other personal information without parental permission.

Your child's privacy is important to us. We are committed to safeguarding children's personal information collected online, and to helping parents and guardians and their children learn how to exercise control over personal information while exploring the Internet. If you are a parent or guardian and would like to review any personal information that we have collected online from your child, have this information deleted, and/or request that there be no further collection or use of your child's personal information or if you have any questions about our Privacy Policy or practices, you may contact us at colledge@icloud.com.

Security

We have security protocols in place to protect your Information from unauthorised access, improper use or disclosure, unauthorised modification, and unlawful destruction or accidental loss. We only allow access to our databases when necessary, and then under strict guidelines as to what use may be made of such data.

Where we store your Information We may use service providers to help us run our Digital Products (or services available on our Digital Products).

Marketing and Unsubscribing

If you wish to unsubscribe from the list please reply by entering unsubscribe in the subject field in the relevant email or e-mail us at colledge@icloud.com Except as to the extent you consent to us doing so under this Privacy Policy, we will not share, license or sell these e-mail addresses without your express consent.

Your Rights in relation to your data You have rights to access, correct, delete your information or to object to or restrict our processing of it in certain situations. No fee is usually required to exercise these rights, but we may need certain information from you.

In certain circumstances, you have the right to:

- o Request access to your personal information: this enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.

Request correction of the personal information that we hold about you: this enables you to have any incomplete or inaccurate information we hold about you corrected/

Request erasure of your personal information: this enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below)

Object where we are processing your personal information for direct marketing purposes or where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation that makes you want to object to processing on this ground. Generally, other than in relation to marketing, our processing of your personal data is in order to allow us to provide you a service, so we will be unable to provide the service to you without processing your personal data

Request the restriction of processing of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.

We allow you to access, correct and edit your details in the "Account" section of our website <https://dcrer.org.uk>. If you require any further help from us in relation to the above rights, please email colledge@icloud.com. No fee is usually required - You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is unfounded or excessive.

Alternatively, we may refuse to comply with the request in such circumstances. What we may need from you - We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

Changes to our Privacy Policy

Privacy laws and practice are constantly developing. Our policies and procedures are therefore under continual review. We may, from time to time, update our privacy policy. Any such changes will be posted on this page. Please check back frequently to see any updates or changes to the Privacy Policy.
